

HSBC 1 Week Work Experience Programme

Description

The HSBC Work Experience programme has been designed to provide students with exposure to the banking sector. At HSBC we are offering students with a variety of placements across our different business areas including:

Retail Banking & Wealth Management Branch Network

You will be based in one of our local branches working alongside an experienced team who look after the day to day needs of our customers. You will gain an insight into how we serve our customers at first point of contact providing a full range of services and products. You will also see how the Bank implements its Digital First approach. Throughout your placement, you will be able to learn how our colleagues deal with customer relationship management to ensure our customers are delighted whenever they visit us. Our expectations of you are you will engage with the team and show an interest in your placement. In turn we will ensure your time with us is mutually beneficial.

MME: Middle Market Enterprise business, manages the entire banking relationship of a portfolio of domestic and international customers in the turnover bracket £6.5m to £350m via relationship management and support.

What you will need

We welcome applications from any subject area or any background, if you are considering a career in financial services after school, college or university this is a great opportunity for you to get an insight into the banking industry.

Where are the placement locations?

If successful with your application, you agree to be assigned a placement within your region. During the recruitment process you will be asked to give your three preferences, which we will do our best to provide in order to ensure the journey time is reasonable.

All the locations available for the HSBC Work Experience Programme within the **Cheshire and Merseyside** regions are listed below. We are currently unable to offer placements in locations not listed below.

- Bromborough
- Chester
- Crewe
- Liverpool
- Shotton
- St Helens

Qualifications

To apply, you will need to be in **full-time secondary, sixth form or college education** and considering financial services as a career after school or university.

For more information about this programme visit

Please note

HSBC recruit on a rolling basis, meaning that the telephone interviews will start when the first applications are submitted.

How to apply

Applications are now open and will **close on 27/01/2019**. We encourage you to apply as soon as possible as applications may close earlier if all positions are filled. After the closing date, we will not accept any further applications.

The recruitment process will include completing an online application with eligibility questions, a short online assessment and final stage telephone interview. We will then advise all applicants in March 2019 on the outcome.

The work experience placements are one week in duration in your assigned location and will commence in June 2019 and run weekly over the summer until end of August 2019. To apply please follow this link:
